SHOT AT BY A HIGHWAYMAN,

Sat the Injuries are not strium.

PROVIDENCE, R. I., Feb. 16. A milkman named Livell Cole was shot at by a
highwayman at two o'clock this marining
and was bit to the arm with the contents of a shot gun. His injuries are not seri

OF THE HIGHEST IMPORTANCE.

AP THE HIGHEST IMPORTANCE.

AP Arrest at which may folve the Mystery CHIGAGO, Feb. 18. A morning paper size Patrick Coopey, who was wanted at Didiy as one of Cronin's murderers, has been arrested! The poice refuse to talk about the matter. The poice refuse to talk about the matter.

It is told that the man arrested is not Coopey but a fellow who was in the Cronin conspiring and whose arrest may be gegarded as of the highest importance. The arrest, it is alleged, was made in St. The arrest, it is alleged, was made in St. The arrest, it is alleged, was made in St. The arrest, it is alleged, was made in St. The arrest, it is alleged, was made in St. The arrest, it is alleged, was made in St. The arrest, it is alleged, was made in St. The arrest, it is alleged, was made in St. The arrest light by Officer Thomas of this city, who has been chaddwing the suspect, and it promises to result in the complete unraw-like of the Cronin mystery.

NOT A TRUST But a Legitimate Invest

But a Lightimate investment.

Cincinnati, O., Feb. 18. The National Starch Manufacturing Company was incorporated in Covington Saturday, under Kentucky laws. One of the incorp sugar says it is not a trust but a corporation and embraces all the starch factories in the United States, numbering thirty. It is not formed for speculation, but in the fine of a legitimate business avestment.

. A LONG FAST.

Twenty-one Days Without Food.

RACINE, Wis., Feb. 13. Mrs. Burritt finish-dia twenty-one days fast last evening. She is good heatth and has suffered but little by fer deprivation of food. Her dysposia seems to have been cared, but whether the ours will be personent is doubtful.

BANKING MATTERS.

DANKING MATTERS.

Three Hoar Concerns to be Recabilished.

New Yorm. Feb. 18. News has just, been received from Rio Janeiro of the catabilishment by the government of three lugs banking concerns for the missions with as aggregate conjust of \$223,000,000. The beoks will be located at Rio Janeiro. Babla and Forto-Allegra. They will be entrusted with special advantages with the business of furnishing assistance to agriculture and with the payment of interest and he redemption of bonds deposited.

BAILEGAD NEWS.

Hon. Frank Junes Office Accepted for Stock.

Pontyscottel, N. H., Reb. 18. Blds for the purchase of 1,000 schares of the Portementh and Dover Railrest stock owned by this city, were opened by Mayor Fay last night in acceptance with a vote of the City Council, authorizing the sale. The bid of Honi Frank Jines, of \$121,375 for the full amount of 1,000 shares, was accepted.

FOREIGN NEWS.

LONDON, 7eb. 18. Justice Butt to-day refused to grait the application of Capalage Dyster of attachment against the managers of the Star and the London edition of the Few York Herald, for publishing the Star and the London edition of the Few York Herald, for publishing the Star and the Star and the first the star and S her of the Few York thruld, for publishing certain, comments in relation for the action for divorce brought by taptain O'shen against his wife, in which Purnett a nomed in entrippendent. In the case of the Freeti an's Journal, of Dublin, scale at the tanoxier of which paper similar application was made, the cuter imposed a due of £100, b sides compelling him to pay the costs of the action.

DUBLIN Feb. 13. The Bellast News.
Letter to-day was found guilty of libel in publishing a ejecth in which Heary Campbell, men her of Parliament, and private secretary to Parcell, was charged with providing the knives with which Lord Cavendish and Under Bearetary Barke were murdered. In Phoetix Park. Damages to theishinate of \$250 were awarded the plaintiff.

### IF YOU WISH TO BE HEALTHY FILTED THE "ATER YOU DRINK.

THERE IS NO OPERATER DEFENDS THAN OCCOD WATER Men have lived without Food for FORTY DAYS; but no man ever abstance from water for more than Nine Days and substrated. Good Water is a source of Health and Vigor; Bad Water as a prolific source of Drease and Death. The very highest authority on Hygiens assetts that this much seems to be certain tithat at present intentingations proceed, and, indeed, in propertion to the care of the inquiry and the accuracy of the chemical examination, is confingly i creating class of diseases is found to be connected with the use of Bad WATER

Disease Germs. Disease Germs.

The most diagerous impurities in drinking weter are the so-called Disease Germs. The best authorities hold that certain diseignes is own as Zimoric Diseases, are propagated or transmissions, which find their way into the system through channels of sir, food and water, making by water. Of these diseases, Malarial levers. Typhoid Faver, Scarlet Fever, ECLERA and Diphtheria are the most notable. It is believed by many who have codied these subjects, that Typhoid Fever, Scarlet Fever, and Diphtheria will ever attack those who habitually use, for ill purposes, properly filtered water. some fifty unles down stream, sooting the lower valley of the Sweet Rott on the way. He sends his wagon train, guarded by four companies of foot and two of horsenen, by the only practicable road to the bend, while he, with ten seasoned "troops" of his pet regiment, the —th cavalry, starts forth with on a long detone in which he hopes to "tound up" such hands as may have alupted away from the general reading, other courses come riding in from Lean. Cruze's party. He has struck the trail of a big band.

When the morning sun dawns on the GATE CITY

## trail of a big band. When the morning sim dawns on the perturespectable in the cap before it fillumines an almost descried village, and brings no joy to the souls of some two-score of embettered civilians who has arrived only the day previous, and whose manmous vertice is that the army is a french and consist to be absoluted.
